## EVENTS IN OCTOBER

Black History Month gives us an opportunity to consider the contributions of Black people UK society and the world.

Hammersmith & Fulham has an extremely rich Black history and these events will give you an chance to learn about this history whether it be partaking of the Black History trails or attending a meeting (we have both in person and online meetings).

*If you want more information about these events or are organising an event yourself please contact [Jessica.Harris@lbhf.gov.uk](mailto:Jessica.Harris@lbhf.gov.uk) or [Gaverne.Bennett@lbhf.gov.uk](mailto:Gaverne.Bennett@lbhf.gov.uk).*
